RE: Sinclair Broadcasting's Plan to require all 62
of its stations to show an anti-Kerry presenta-
tion so close to the election (docket 04-233)

I find it appalling that this is happening, and simply demonstrates the need to return to the fairness doctrine. At best it is an egregious misuse of a license to use the public airways, and at worst it is an illegal campaign contribution. I will be sure to monitor station WGME in Portland, ME when it is time for its license renewal. Thank you for your prompt attention to this issue.
